Corporate Events

Looking for a reward for your teams' big win? Celebrating a holiday or something special? Or want something fun to do as a group? Adaptive Workshops Virtual Reality Experience is a great way to bring your teams together in a fun and exciting environment.

Includes 4 VR stations for your group. Typical duration of each VR Experience is 15 minutes. Groups that are more adept may take longer. To plan adequate time for your teams' VR Experience, it is recommended to either limit the number of participants or schedule a longer event. Time flies when you're having fun!

\$250 per hour up to 12 hours maximum per day

Half-Day Workshops

Take a deep dive into understanding how communication and roles affect team dynamics and set goals with strategic objectives on how to achieve the goals in our half-day workshops.

Workshops consist of 8 participants per event

4-hour event: \$2,600 per group of 8 (eight)

Multiple workshop discount: Call for pricing

Tradeshows & Conferences

Attending a trade show or conference and want to draw the masses to you? Bring in Adaptive Workshops to your space and use our Virtual Reality Experience as a means to attract and keep people engaged with your sales teams. We will bring the entire VR setup to you!
